

Promote **STEM** With Knowledge Cards!

Physics seems intimidating until people see it reduced to an index card. Then, they learn Physics without admitting they're **Nerds**.

See if laymen can learn the **Physics** on these Knowledge Cards.

Nerd

Knowledge Cards show **Teamwork!**

To join a
STEM team:

- Be where the STEM information is.
- Make efforts to learn the latest material.
- Have the drive to improve the STEM field.

Knowledge Cards define Equations.

Gumballs may be a *Dime a Dozen*, but
Ideas are as *Free as Air*. Sorry, Equations
are Ideas & cannot be patented.

Cite Spark sources!

Knowledge Cards depict **Innovation**.

Many new inventions innovate
Physics Discoveries that often
change the World.

Innovation Momentum goes around Stagna-
tion Barriers. These Social Obstacles are
always present to maintain the Status Quo.
